

6th December, 2019

Dear Parents and Guardians,

I trust that this letter finds you well and all ready for the holy season of Christmas and the celebrations of the New Year. Thank you for your continued support of St Mary of the Angels Secondary College as we continue to grow and develop as a Catholic education community. To our new parents and families in 2020, we extend a very warm welcome and trust that your time with us will be affirming and life giving for you and your child/children.

Student reports will be available for access via PAM from Wednesday 11th December, 2019. Parents/Guardians can log into PAM with your user name and password and the reports can be found in the Student Assessment & Reporting sidebar. Please contact the College if you are having trouble accessing PAM.

Also please remember to update your child/children's medical information on PAM prior to the beginning of the school year.

Please note that any student who has completed a subject for which they will receive an external statement of completion (eg. VCAA , GO TAFE) will not receive an end of semester report for that subject.

Our Bus Operations Manager, Tom Robinson has asked me to let you know that there will be a letter forwarded in mid January advising of pick up locations and times for your child.

The College office will re-open on Thursday 23rd January, 2020.
